I LOVE

"Hear god's voice
and write your own
story"

Many young people around the world have a great desire to find the right person and establish firm courtships and marriages. However, some don't know the principles the Word teaches to achieve it successfully.

In this new edition of iLove you will find clear and simply principles, along with real testimonies that will help you write the best love story.

Johanna Castellanos started her work in ministry when she was 15 opening her first cell group. Through the iLove Show and her different teachings about romantic feelings, she has managed to impact the new generation with a message of true love, based on the Word of God.

She's a writer, pastor and a great communicator. She's married and is the mother of three beautiful daughters. Her family has always been her best preaching.
